Dear USC Housing Resident,

It is our pleasure to welcome you to the residential community at USC. This packet will introduce you to USC Housing and help you prepare for your arrival. Move-In Day is scheduled for Wednesday, August 22, 2012.

We’ve included general housing information, common Check-In questions, a USC Housing Directory, a map of Check-In locations, as well as information on Student Personal Property Protection plans. An additional packet, containing helpful information about life in university housing, will be provided at Check-In.

If you have any questions prior to your arrival, please feel free to contact your Housing Customer Service Center (CSC). Your CSC’s phone number and e-mail address can be found on pages 6-7 of this guide.

Thank you for choosing USC Housing for the 2012-2013 academic year. We certainly wish you the best with your academic success and look to providing you with a wonderful USC Housing experience!

Sincerely,
USC Housing

Parking and Unloading
On-campus traffic will be very busy on Fall Move-In Day. Please see the unloading map for August 22nd included in this packet (and also available on our website) for where to unload for each building and where to park.

Unloading zones are for temporary parking only, a restriction that will be enforced by university officers, so please, after dropping off your stuff, move on to the designated parking for your location.

No special provisions for unloading will be in place for North University Park Campus locations, though university lots will be open for parking without permit on August 22nd only.

Moving Your Stuff
Large wheeled bins will be available at each CSC for hauling in your things. They are available on a first-come, first-served basis and may be checked out for a limited time.

Elevators
All of USC’s on-campus residence halls, suites and apartment buildings have elevators with the exception of New and North Residential Colleges, Marks Hall and Trojan Hall. If you are moving into one of those four buildings, be prepared for multiple trips up the stairs and plan accordingly. In places that do have elevators, expect them to be busy, so please be patient.

Our large north campus apartment facilities have elevators, but many of our smaller buildings do not. You may need to carry your possessions up a flight or two of stairs in these locations.

URSC Linen Pick-Up
If you ordered the linen package through the University Residential Student Community, it is scheduled to be available for pick-up at the McCarthy Quad, on-campus near the freshman residence halls, on Move-In Day from 9:00AM to 5:00PM.

After Move-In Day call the URSC office at 740-6467 to arrange for pick-up.

What to Bring With You
Thinking about what to bring with you? Here’s a quick list.

Residence hall or suite:
- Towels
- Blanket
- Bedspread or comforter
- Sheets (extra long twin size, 36” by 80”)
- Pillows and pillowcases
- Toiletries
- Hangers
- Fan (if your building doesn’t have AC)
- Alarm clock
- Desk lamp
- Cell phone
- Computer
- MP3 player
- TV (your TV will need a QAM tuner)
- Decorations

Apartment:
If you’re assigned to an apartment, you’ll need all of the above, plus things for your kitchen:
- Dishes
- Glasses
- Cooking and eating utensils
- Pots and pans
- Microwave
- Small kitchen appliances

Tips:
- You may wish to coordinate bringing big items, such as appliances, with your roommate(s).
- Not everything has to be brought in on Move-In Day. Some items, like winter clothing for example, can be brought or shipped later.

Please Don’t Bring
- Pets - The only pets allowed in university housing are fish in aquariums of 10 gallon or less capacity.
- Air-conditioning units - If your housing assignment doesn’t have AC, you can’t install a unit yourself. This is a physical alteration of the property, prohibited for safety and security reasons.
- Dish/Satellite TV Receivers - Installing such a unit is a physical alteration prohibited for safety reasons.

Remember: all housing facilities come with free digital cable TV service.
When is Check-In?
Check-In Day (or Move-in Day) is Wednesday, August 22, 2012, from 8:30 a.m. to 5:00 p.m. Check-In will continue on Thursday, August 23 and Friday, August 24 from 8:30 a.m. to 5:00 p.m, and from 10:00 a.m. to 2:00 p.m. on Saturday, August 25 and Sunday, August 26.

What if I can’t Check-In on those days?
If you need to arrive before August 22 or after August 27, please contact your Customer Service Center (CSC) by e-mail as soon as possible and follow up by phone to make arrangements. The CSC responsible for your building is listed on pages 6-7. Early arrival may be possible only for residents who have academic department obligations, and carries a fee of $75 for each night stayed prior to August 22. Late arrival (after 5:00 p.m on August 27) without prior arrangement may result in cancellation of your contract or reassignment of your space.

Where do I go to Check-In?
Please refer to the “Check-In Locations for Move-In Day” on page 8 and the map on page 9. Each building has a specific check-in location. For the University Park Campus you will also need to enter through a specific gate dependent on your assigned building.

What do I need to Check-In?
Please bring a picture identification (USC student ID, driver's license, etc.) with you to Check-In.

How can I find out about the details of my contract?
Information about your housing contract will be sent to the e-mail address we have on file for you. If you require a hard copy of your contract, you may request one at the central USC Housing office in Parking Structure “X” or at the Customer Service Center for your assignment.

What furnishings are provided?
Every university housing facility is fully furnished. Most residents can expect an extra long twin bed (36” x 80”), a desk, a desk chair, dresser drawers and closet space. Apartments are also furnished with living room and dining room furniture, and kitchen appliances (stove/oven and refrigerator). Residence hall rooms have a microwave/fridge combination unit. Each resident is responsible for supplying their own linens (pillows, blankets, towels) and cooking utensils (in apartments with kitchens).

Will there be moving assistance at Check-In?
Unfortunately we don’t have the staff to assist several thousand students to move in, but we will have a limited number of rolling bins available to help you move your belongings.

Is there a smoking policy?
All University housing facilities, regardless of location, are smoke-free environments. Smoking is not allowed, even if roommates give their consent or the resident is the sole occupant of the apartment or residence hall room. All common areas - including apartment balconies - are designated smoke-free.

Can I bring a pet with me?
Pets are not allowed in housing facilities for legal, health, and safety reasons. The only exception is tropical fish in a 10-gallon or smaller tank. Violating this policy may result in student conduct action, cancellation of your contract, and charges for fumigation, cleaning and damages. Pets are not permitted to “visit” at any time.

Can I have a visitor or family member stay with me during Check-In week?
University housing policy states that all contracted occupants of a room must give prior approval before a guest stays over. Since contracted residents have until the first day of classes to check into their space in USC Housing, we cannot allow overnight guests prior to Monday, August 27.

How do I ship my personal belongings to my housing space?
You may choose any carrier (UPS, U.S. Post Office, etc.) to ship your personal belongings. Please note, however, that we will not accept any packages for you prior to your arrival. Please time your packages to arrive after you Check-In. Your campus address can be found on pages 6-7, (room numbers are issued at Check-In). You may still have items sent to that address without the room number. Our staff will look up your room number and notify you when your packages arrive.
The following information is intended to provide you with a very general overview of the services, systems, and policies you will encounter while you live in USC Housing. A more detailed packet will be provided at Check-In. Please remember: Customer Service Centers are your primary contacts for information!

• **REASSIGNMENTS**
  To facilitate the Check-In of over 6500 residents on Check-In day, no reassignments (building or room changes) will be done from July 14 - September 11. There is no waiting list for reassignment after July 13. All reassignment requests that were not fulfilled by July 13 have been cancelled. The reassignment process will begin again on September 12 at 8:30 am at all Customer Service Centers (except for the central Housing Services Office). Reassignment requests will be processed on a first-come, first-served basis and will be completed based on availability of the requested space.

• **TELEPHONE SERVICE**
  Since most college students rely on their cell phones, USC has removed land lines from housing buildings to reduce maintenance costs. If you need a phone line in your residence you will need to contact Housing Maintenance to have one installed; monthly charges will apply. Hallway phones have been installed throughout all facilities for emergency and campus calls.

• **RESNET (Residential Internet)**
  All USC Housing facilities are equipped with one wired high-speed internet connections per resident. Residents of most off campus apartments will also be able to connect via the USC Wireless network. USC Housing student assistants will be available to help incoming freshmen with connecting to the USC network during Move-In. Just call Housing Maintenance at 740-4646 if you need help.

• **CABLE TV SERVICE**
  Basic cable service is provided in each apartment and residence hall room at no charge. Our cable system carries over 40 channels of HD programming. Premium channels, such as HBO and Showtime, are available at additional cost. Information on signing up for these channels will be available after you Check-In. To connect to the system, you will need a cable-ready TV with a “QAM” tuner and a coaxial cord.

• **UTILITIES**
  Residents in most North University Park area USC Housing apartments are required to pay for electricity service. The cost of your electricity will automatically be charged to your university account twice a semester. More information and instructions on this service will be provided at Check-In.

• **STORAGE**
  Due to space limitations, no storage facilities are available in housing facilities. Sorry - we do not remove or store University furnishings already provided in the rooms.
• MAIL & PACKAGE DELIVERY
The U.S. Post Office is responsible for mail delivery to most North University Park area USC Housing buildings, placing the mail directly in the facilities’ mailboxes. Most University Park Campus buildings, however, have their mail delivered by Customer Service Centers. To ensure proper mail delivery, please refer to the Housing Customer Service Center Directory for your building’s correct address. You will receive your room or apartment number after your arrival. Packages that do not fit into mailboxes are accepted by CSCs and residents will be notified that their parcels have arrived. Please remember - we cannot accept packages prior to your Check-In!

• HOUSEKEEPING
Residents are responsible for the cleanliness of their individual spaces (residence hall rooms, suite bedrooms, apartments). All interior and exterior public areas (restrooms in suites and residence halls, hallways, lobbies, etc.) are maintained by USC Housing Custodial Staff. Each Customer Service Center maintains a small inventory of vacuum cleaners for residents’ use. Residents will be required to leave a valid picture ID to check-out a vacuum. All other cleaning equipment or products must be provided by residents.

• PARKING
USC Transportation offers parking on the University Park Campus, North University Park building lots and at the Parking Center. Please contact USC Transportation directly at (213) 740-3575 to obtain an application, inquire about availability of parking lots, or for general information regarding parking. You may also apply on-line at transportation.usc.edu.

• LAUNDRY FACILITIES
Each building has at least one laundry room with both washers and dryers. These machines are owned and operated by a private company. Costs are $1.25 for washing and $0.75 for drying, and must be paid for using a special laundry card available at your CSC and rechargeable on-site. A few buildings have machines that accept USCard discretionary points. Residents will need to provide their own detergent and other laundry products.

• MAINTENANCE
Housing Services Maintenance (HSM) is responsible for the maintenance of the fifty-six buildings in the USC Housing system. This includes repairs for the items in the residence halls and apartments and public areas in the buildings. Requests for service may be placed by phone, in person at your Customer Service Center, or at http://hsmtma.usc.edu. HSM maintains a 24-hour, seven days a week hotline for your convenience; that number is 740-4646.

• PROHIBITED POSSESSIONS
A list of prohibited possessions not allowed in residents’ rooms is provided in the Housing Contract and Living Agreement. In addition, the following items may not be used in university housing: “glow in the dark” stickers, contact paper (except in drawers), torchiere halogen lamps, decorative lights, candles, barbecues or hibachis (in rooms or on balconies), hot plates, toaster ovens, or other cooking appliances in rooms without kitchens.
Your Customer Service Center is your connection for many services provided by USC Housing. Please check this list for the Customer Service Center that is responsible for your building.
