

ENERGY CONSERVATION COMPETITION

———— NOVEMBER 1 - 17 ————

Join your Residential College for an energy saving extravaganza! From November 1st to 17th make it your personal mission to conserve as much energy as possible, attend sustainably based events, and encourage your friends to flip off their lights!

Each Residential College is competing to save the most energy in this two-week period. The winners will receive points towards the Residential College Cup AND puppies and ice cream.

..... HAVE SOME FUN AT OUR
