2016-2017 Housing Application

Housing Preferences

Please fill in the codes for your preferred building, room type and special interest program. Codes for buildings, room types and special interest programs are listed online at housing.usc.edu or in our Living at USC brochure.

Review the building preferences you have listed to verify that they are available to you based on your class standing. Please note that spaces are limited in residence halls and single-occupancy apartments. We recommend that each applicant list a variety of building preferences and room types. We will make every effort to accommodate your building and room type preferences in the order you have listed them. Examples of how to list your preferences are provided.
