

USC Housing Special Move Out Schedule

All residents planning to move themselves out must confirm an available online appointment for the day and time they will be coming to campus to move out of their assignment. The appointments are designed to limit the number of people at each facility each day. Please select an available move-out appointment in the [USC Housing application portal](#).

Please determine which resident group you fall in and then make an appointments to move out within the dates and times detailed below for your resident group.

Following this schedule will allow for a more spread out process and reduce congestion.

Resident Group 1: Residents of odd-numbered floors with assignments that end in an odd number.

Resident Group 2: Residents of even-numbered floors with assignments that end in an odd number.

Resident Group 3: Residents of odd-numbered floors with assignments that end in an even number.

Resident Group 4: Residents of even-numbered floors with assignments that end in an even number.

Residents can return USC Libraries books to any Housing Customer Service Center and we will ensure they are returned to the library.
