

# General Mail/Package Information

To help ensure proper and prompt delivery of your mail and packages, please provide complete and accurate address information to anyone sending you mail or parcels.

*Note: We cannot accept any packages for you prior to your arrival. Please time your packages to arrive after you check-in.*

- Use your full, complete name as registered with USC Housing on your application or USCard.
- Include your complete room assignment information.
- Include the full street address and zip code.
  - The zip code for the USC University Park Campus and the USC Village is 90089.
  - The zip code for the USC Housing apartments in the North University Park Neighborhood is 90007.

*Please note: the US Postal Service will not forward mail, or do a change of address, from or to USC housing addresses in the 90089 zip code (University Park Campus and the USC Village). To avoid lost mail, it is not recommended to have important mail, such as bills or DMV registration, sent to a student's 90089 address.*

Including the building name in the address is helpful. In the USC Village, the building names are the same as the Residential College names. Adding USC before the building name is recommended. Indicating the room assignment provided to you from Housing is crucial for the prompt processing of your parcels and mail.
